TURNING STUDY ABROAD DREAMS INTO REALITY

Connecting ambitious international students with
leading universities in **Australia, the UK and US.**

INTO THE INTERNATIONAL EDUCATION SPECIALISTS

Since 2006, INTO has helped over 150,000 students from 188 countries achieve their dream degree.

We partner with leading universities across three continents to deliver the best international student experience in desirable study destinations.

Our students benefit from quality, university validated academic programs. Combined with our outstanding student support, we help students reach their full potential – both in their education and in their future careers.

Vicky, Hong Kong, China

Actuarial Consultant at RNA
Analytics Ltd

- International Foundation,
INTO Queen's University Belfast
- BSc (Hons) Actuarial Science,
Queen's University Belfast

"My time spent at INTO really built my confidence and prepared me for university. The structure of my degree gave me the opportunity to study a placement year. This really made me stand out from other candidates when applying for jobs. I got a good job in London quickly after graduating."

Varsha, India

BS in Biology,
Oregon State University

"The multitude of opportunities, such as internships, study abroad programs and undergraduate research projects lured me in, pulling me towards a path that promoted my growth as a student and as an individual."

STUDY IN AUSTRALIA

The University of Western Australia is one of the world's best universities, located in Perth – a friendly, welcoming destination offering students an unbeatable lifestyle.

STUDENT SUCCESS AT UWA COLLEGE

UWA College's tailored pathway programs prepare students for success with a guaranteed* place at The University of Western Australia (UWA).

Yasmin, Singapore

- UWA Foundation Program, UWA College
- Bachelor of Biomedical Science, The University of Western Australia

"What I enjoyed about UWA College was the advantage it gave me. The teachers understood our individual needs, which helped build our confidence and made for a smooth start at UWA. Because of the support from UWA College, I was able to do an internship the very first semester of my UWA degree – what I gained from it was invaluable experience."

100%

of UWA College students who successfully completed their course in 2023 were eligible to progress to UWA

96%

of students progressed to UWA following completion of their course

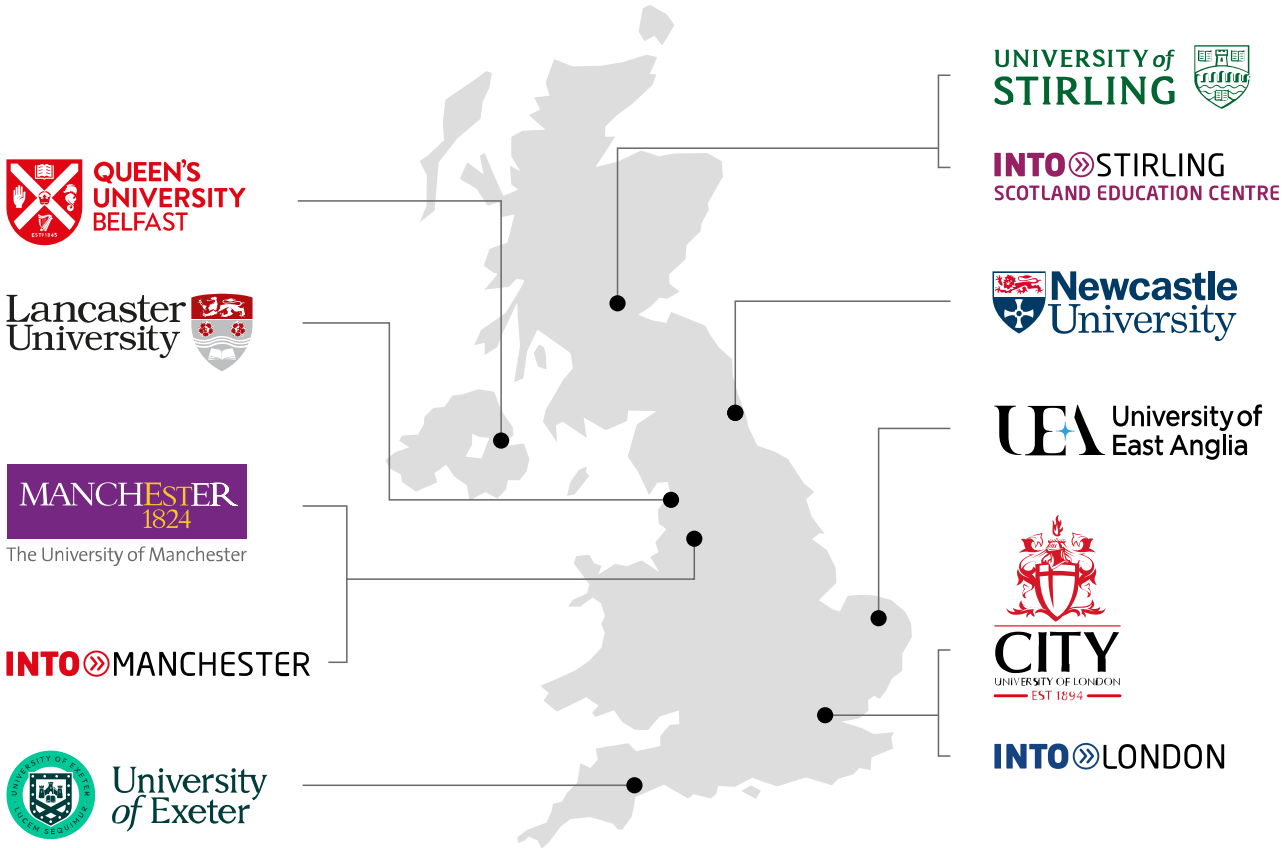

* Subject to meeting the minimum course entry requirements and any additional selection criteria set by UWA.

Enrolled students are those who enrolled as degree-seeking students in their next term of degree study at their host university.

OUR ROUTES TO HIGHER EDUCATION

A direct route

We partner with leading universities to offer degree programs in some of today’s most popular subject areas, such as computer science, data engineering, public health and international politics.

If your student meets the academic and English language requirements, they can apply directly to their chosen degree program.

- Thousands of degree programs to choose from
- Submit multiple applications in a single application form¹
- Additional flexibility on application deadlines
- Application automatically assigned to your agency¹
- Application fee waived and quick decision on applications

University preparation programs

We offer hundreds of programs, preparing students to study at a leading university in Australia, the UK or US.

Undergraduate pathway programs

Providing the academic knowledge and English language preparation needed for undergraduate study.

International Direct

An undergraduate, direct degree program providing comprehensive academic and cultural support for students to succeed in their studies (US only).

Graduate pathway programs

Additional study and research skills preparation for students who don’t meet the requirements to enter a Master’s degree directly (UK and US only).

Integrated Master’s

A supportive degree program that provides additional academic and cultural support customized for international students (US only).

Master’s International Direct

Direct entry to a select set of OSU Master’s degrees, with academic and advising support during a student’s first term (US only).

iCAS programs

At select UK centers, students can combine their pathway and degree in a single study plan with one visa.

English language courses

A variety of English language courses designed to help students develop their language skills for further academic study and life in an English-speaking country.

BUILD CONNECTIONS IN OUR STATE-OF-THE- ART CENTERS

Located in key higher education markets, our University Access Centers (UACs) provide our university partners with a global presence. These state-of-the-art hubs offer education counselors the perfect space for face-to-face engagement with students, parents and local university representatives.

UACs also help education counselors by offering their students access to education and career-focused events such as:

- virtual reality tours of university partners' campuses
- seminars with visiting university staff
- masterclasses with major employers
- sessions with current international students and alumni
- pre-departure briefings.

EXPERT, TAILORED STUDENT SUPPORT

We give students the best study abroad experience from the moment they choose INTO. Our support starts before students leave home and continues right up until they progress to university.

Free pre-arrival program (UK)

Students can prepare for their UK study abroad experience with Get Ready to Study – an online pre-arrival program they can access anywhere, anytime and at no extra cost, learning about life in the UK, study skills and employability.

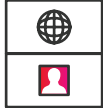

Free visa guidance (US)

INTO's free Pre-Arrival Success Services (PASS) program expertly guides students through the US visa application process. The personalized support includes mock interview sessions, workshops and virtual webinars to help prepare students for their visa interview.

Career preparation

Developed with students' careers in mind, INTO pathways are more than a route to a degree. Students will also develop skills employers look for, with unique opportunities and real-world experiences before they've even enrolled at a university.

Supporting student wellbeing and study success

SCHOLARSHIPS FOR TALENTED STUDENTS

Student success is our priority. That's why we offer merit-based scholarships to eligible pathway students across the UK, US and Australia.

We also collaborate closely with our partner universities to recognize and reward high-achieving students – helping to make world-class education more affordable. When students complete their pathway course with good grades, they could qualify for a partial tuition scholarship when continuing to their degree.

Up to

£10,000,000

awarded globally

(Average yearly amount awarded to INTO students in scholarships and discounts globally.)

Pin Nuo, Taiwan

BS in Supply Chain Management,
Saint Louis University

"I received a scholarship from SLU, which significantly decreased the cost of my education. It made it possible for me to focus more on my studies and take advantage of more campus programs."

Minh Hoang, Vietnam

- UWA Foundation Program, UWA College
- Bachelor of Engineering (Hons), The University of Western Australia

"It is an honor to have received the UWA College Success Scholarship. The scholarship came as a big support toward my degree in terms of financial incentive for me to continue to grow as a person and try my best in every class."
